Budget Update

The General Assembly has adopted the Conference Report on the FY 2011-12 Appropriation Bill. The bill has been sent to the Governor for consideration of vetoes. The Department of Mental Health will receive a base reduction of \$8,335,958 (6%). On the bright side the Department will receive \$1 million in State General Funds for Crisis Stabilization. In addition, a proviso which required the Department to annually transfer \$3.4 million to the General Fund from the paying patient account will be deleted and the Department may now use this \$3.4 million in the operation of inpatient facilities. During the current year, the Department received \$9.5 million in one-time funding; no one-time funding was appropriated for the Department in FY 2012.

The Department will also receive Capital Reserve Funds of \$8.6 million for several projects, including replacement of the remainder of the roofs impacted by faulty fire retardant chemicals at Bryan Psychiatric Hospital and deferred maintenance projects at Campbell Veterans Nursing Home and Stone Veterans Nursing Home.

The Department had one new proviso added during the budget deliberations. This proviso (23.16) requires the agency to ensure that patients receiving Medicaid paraprofessional services be afforded the opportunity to select the provider of these services.

Other provisos of interest to the Department include:

- The House version of the budget included 23.17 relating to the grandfathering of Department of Mental Health patients being able to remain on non-generic medications as long as they were stable. The Senate version deleted this proviso, but added 21.49 under the Department of Health and Human Services (the State's Medicaid agency) requiring that patients be placed on a generic medication if one was available and less costly than the non-generic medication. In the final appropriation bill both these provisos have been deleted.
- Proviso 89.127 included in the House version of the bill that would have transferred the responsibilities for the veteran nursing homes to the Lt. Governor's Office on Aging was deleted.
- Proviso 89.129 included in the House version of the bill that would have transferred the Department of Alcohol and Other Drug Abuse Services to the Department of Mental Health was deleted.
